

The-No-Fee
Tax-Free Savings Account

Exclusively for Public Sector Employees

Tradex is pleased to introduce exclusively for current and retired public sector employees and their families our no-fee Tax-Free Savings Account (TFSA), effective January 1, 2009.

Great Savings Options

Tradex Tax-Free Savings Accounts offer you a range of investment options to fit your savings objectives. This includes being able to invest in a variety of mutual funds as well as a very competitive high-yield daily interest account that's eligible for CDIC insurance.

Total Flexibility

You can transfer funds between your regular bank account and your TFSA without charge. Also, you can contribute to your TFSA through lump sum payments or through our systematic savings plan whereby we'll withdraw the amount you choose from your bank account each month.

No Administration Fees

At Tradex there are no administration fees when you set up a TFSA account (or any other account). Every dollar of your savings goes straight into your TFSA account.

To open a no-fee Tax-Free Savings Account at Tradex simply call us at 613-233-3394 or 1-800-567-3863 and we'll set up an appointment or mail you an application form and information kit. Or, visit our website at www.tradex.ca to learn more about investing through Tradex.

Commissions, trailing commissions, management fees and expenses may all be associated with mutual fund investments. Please read the prospectus before investing. Mutual funds are not guaranteed, their values change frequently, and past performances may not be repeated.
